

SEGUIN-MANUEL

BEAUNE Sisérpe

TERROIR

Located on Mont St Désiré, not far from Clos des Mouches, this plot has the particularity of facing north. The very white soil surface indicates the presence of a high level of active limestone. Yellow marl and stones complete the soil composition.

WINEMAKING & MATURATION

Fermentation and maturation in French oak casks.

WINE DESCRIPTION

Bright pale yellow color. The expressive nose shows mineral, floral and fruity notes. On the attack, it is round and fluid. Balance and elegance all together. Lovely mouth-watering finish.

WINE & FOOD

Shellfishes, matured Comté cheese, chicken with lemongrass.

AGEING POTENTIAL

7 to 10 years
